

Machakos University and Tribus-TSG are partnering to create a **first in County Ajiry Centre** within the university grounds.

As students of Machakos University you are cordially invited to enter the Ajiry Centre Interior Design Competition.

The centre will be designed and run by current and former members of the university.

All interested students are requested to submit their proposed centre interior designs on email info@ajiry.com by or before 25th January 2020.

Details to be included on the proposals should be;

- i. Official Names
- ii. ID Number
- iii. Phone number/ email address

What Is An Ajiry Job & Training Centre?

Ajiry - Job & Training Centre

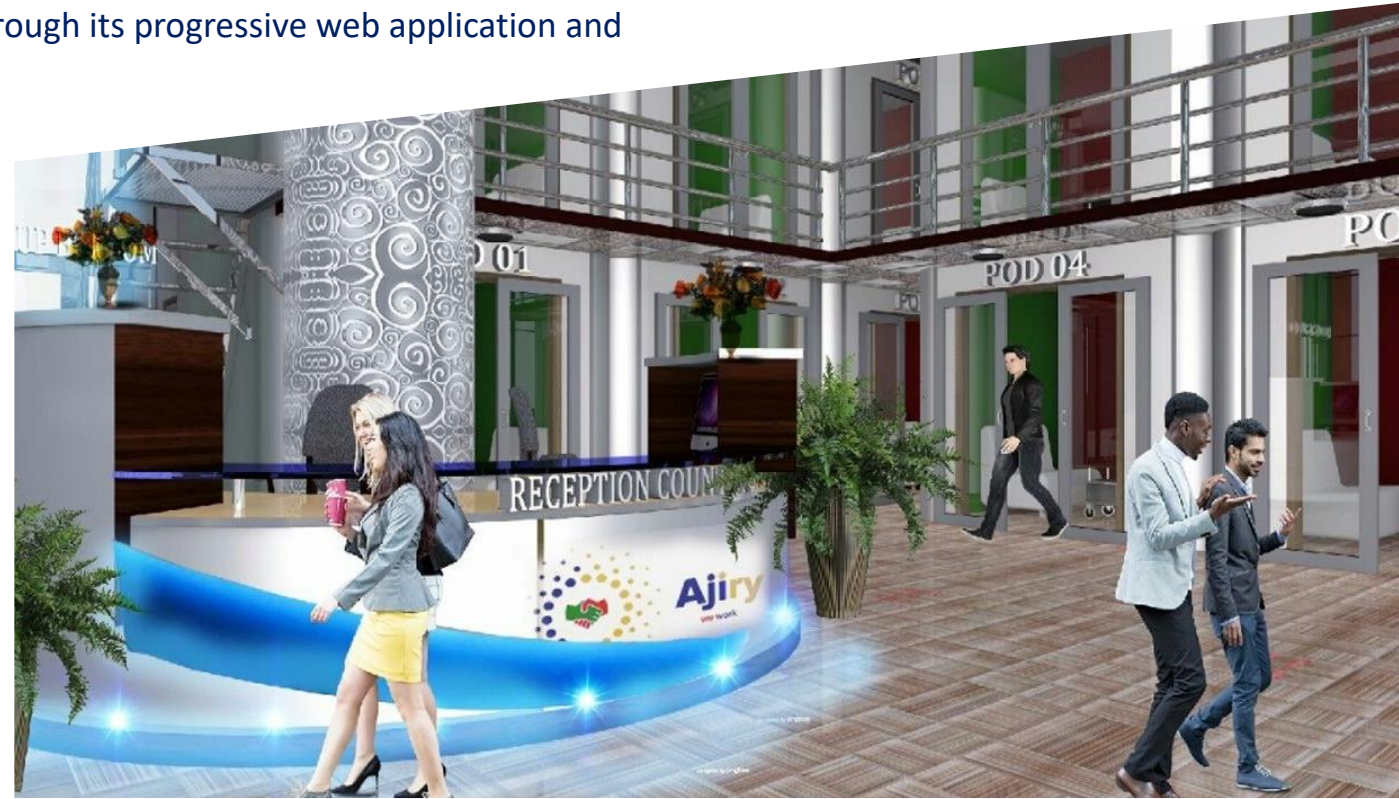

A self sustaining centre that will create, GigEconomy Employment, Full and Part Time Employment as well as training opportunities for the surrounding communities.

As well as being a self-sustaining centre it will anchor on the wider virtual of the Ajiry progressive web application.

The Ajiry Program will empower millions of youths across the country through its progressive web application and 10 Pilot Job and Training Centres.

Why for the individual's & Small / Start-Up Business

1. Capability Enhancement
2. Financial Support
3. Market Access & Support
